STEP TWO: Based on your exploration of the websites above, draft a response (no more than one page) to the following questions:

What did FDR hope to achieve with his New Deal? What were the main criticisms of it? What comparisons can be made between the New Deal and President Obama’s Recovery Act of 2009 and the Affordable Care Act (“Obamacare”) of 2010? In your view, is the federal government responsible for ensuring Americans’ social welfare, or should all Americans rely on Herbert Hoover’s concept of “rugged individualism”? In your response, be sure to refer to at least three (3) of the websites above.

STEP THREE: Post your response to others in your Friday class in an online Discussion Forum at Cougar Courses by midnight on Friday, March 18.
