Survey of Online Materials Used in History 17b Course Redesign

Please offer a response to each question below. The information will be compiled anonymously and a brief report of the data will be submitted to the California State University Chancellor’s Office. You may write on the back if you need more space. Just put the number of the question next to your response.

1. Did you find the readings, videos, and online homework activities on Globalyceum useful to your learning in this class? Circle: Yes or No

2. Explain why you circled yes or no above:

3. What recommendations do you have for Globalyceum to improve?

4. Would you prefer a print textbook over an online e-book? Circle: Yes or No

5. Explain why you circled yes or no above:

6. Offer any other suggestions, comments, or criticisms about the use of the online materials in this course that you did not cover above.

7. Did you enjoy the course overall?
