Print name:________________________________________________________

Preferred Name (if different): ________________________________________

*In contacting you via email, I will use your CSU Stanislaus email account or the email address you provide MyMathLab when you register online.

**Assignment #1:**
On the back of this sheet, write your math autobiography – tell me about your attitude toward learning mathematics and your experiences with mathematics and related applications.
If you prefer, you may provide this information attached to this sheet of paper.

**SYLLABUS AND ASSIGNMENTS**
➢ PLEASE READ THE SYLLABUS CAREFULLY AND KEEP IT WITH YOU WHENEVER YOU COME TO CLASS. ALL THE INFORMATION ON THE SYLLABUS IS IMPORTANT AND INCLUDES WHAT YOU NEED TO KNOW IN ORDER TO DO WELL IN THIS CLASS. ONLINE CLASS ASSIGNMENTS ARE LISTED WITH RESPECTIVE DUE DATES.

**COOPERATIVE LEARNING**
➢ WE WILL BE USING A VARIETY OF COOPERATIVE LEARNING STRATEGIES THROUGHOUT THIS SEMESTER. YOU ARE EXPECTED TO PARTICIPATE AND BEHAVE IN A MANNER THAT MAINTAINS A POSITIVE LEARNING ENVIRONMENT AT ALL TIMES. YOU ARE ALSO EXPECTED TO CONTRIBUTE TO “MATH TALK” THAT SUPPORTS MATH LEARNING.

I have read the course syllabus for Math 106 (section 4). I understand and agree with the policies and requirements stated therein.

I will participate in and contribute to learning activities and I will support a positive learning environment.

I understand the California State University Chancellor’s Office will contact me regarding the redesign and use of technology in this course. I agree to complete the end of semester survey from the Chancellor’s Office.
